## EC Directive 89/686/EEC

### EC Type-examination

Issue 1.

#### PPE Product

Nautilus NTL5-HDL-105, leather working gloves. Blue and Natural Cow split leather palm and partial back, Yellow polyester and cotton partial back and white polyester and cotton lining, with a polyester rubberized cuff, and a nominal overall length of 27cm, which are available in one nominal hand size: 11.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the relevant requirements in the harmonized standards:

EN 388:2003 (Protective gloves against mechanical risks) for a performance classification of 4,2,4,4.

The manufacturer's information notice (Nautilus information to used Model No. NTL5-HDL-105), in English, has been inspected and found to have addressed all of the relevant requirements of the standards. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

Certification is based on technical file Nautilus CE001, 2011-07-12
